

TRUTH,
RECONCILIATION
AND REPARATIONS
COMMISSION

PORTRAITS OF WITNESSES THAT APPEARED BEFORE THE COMMISSION'S PUBLIC HEARINGS

7TH JANUARY 2019 - 28TH MAY 2021

One of the objectives of the Truth, Reconciliation and Reparations Commission (TRRC) is **“to provide victims an opportunity to relate their own accounts of the violations and abuses they suffered”**. Through its Public Hearings, the TRRC provided such opportunity. Notwithstanding re-living the pain they suffered, the victims came in their numbers and told the Commission what they endured at the hands of the agents of the State. Perpetrators also came to confess their misdeeds before the Commission.

*“ In the faces of these witnesses,
as in the dilemma of all Gambians,
lies the agony of a bewildered people who
failed for 22 years to confront evil.
”*
NEVER AGAIN
